★ Princess Parties ★

\$75 per princess (minimum 5 per group) **Ages 4 to 12**

Your little princess and her friends will have a day of pampering. They will arrive at the princess castle where there will be balloons, streamers, and refreshments. Each little girl will have their hair twisted, curled and sprinkled with fairy dust.

Their nails will be painted with glitter polish, and their faces will be dazzled with princess makeup. We will end the day with a group glamour photo for the birthday princess and her friends.

★ Girls Night Out ★

Our stylists will pamper you and your girlfriends by starting out with a scalp massage and shampoo. Would you like a your hair straightened, curled or thrown up? Need a make-up touch up?
